

Original Bagel

The Patient Bakers

Our entire product line is **100% nut free** and completely safe for those with any peanut or tree nut allergy. Our products are produced and packaged in our 100% dedicated nut free facility. We work closely with sources to ensure that our raw ingredients are nut free.

Food Quality & Safety

At Original Bagel, we are 100% focused on the safety of our products. In order to ensure that our products are 100% nut free and safe to consume, we employ a full-time Food Quality and Safety Lead. Our facility adheres to a strict food safety management system to provide you with safe, quality products that you can trust. Key elements in the manufacture of our high-quality bagels include adherence to Good Manufacturing Practices (GMP's), a complete allergen program with dedicated production rooms, proper sanitation practices and tests, environmental/temperature maintenance, and random tests of finished products. Our quality is monitored by a dedicated team of trained professionals to provide you with the finest NY style bagels for everyone!
