

Good Grief 2022 5K Thank you!

6/9/2022

Dear Bill,

Thank you so much for supporting our 2022 Annual Good Grief 5K Run and Walk! This year, the event attracted more than 1,000 participants, created inroads with multiple new local business sponsors, and raised more than \$165,000. Thanks to our amazing sponsors such as yourself, we were able to provide another powerful day of community and remembrance and show our grieving kids and families how much their communities support them.

Below is one of the many photos from the 5K, and you can see the entire collection on our Facebook page memorializing the fun and festivities.

Thank you again for supporting Good Grief, being part of our community of support, and for directly providing critical resources for our programs and our families.

Sincerely,

Theresa A. Shubeck, CEO
