Dear Dave,

What a success!

Thanks to Original Bagels' generosity, Good Grief's 2017 5K Run and Walk for Hope raised more than **\$120,000** for our families and programs. **1,000+** walkers, runners, family members, friends, and volunteers came out to support and cheer on the Good Grief community. None of this would have been possible without your support!

Your in-kind donation of 750 bagels for the event was a huge (HUGE!) hit with our families and participants. We cannot thank you enough for your generous support of our event and our organization. Your donation helps families like Rebecca's. Rebecca is a Good Grief mom and a 5K Run and Walk for Hope participant:

"Good Grief has been essential in helping my kids feel like they're not alone. My 7-year-old has made many friends, and it's the one place our 15-year-old looks forward to going to. My heart can't quantify the gratitude I have for the role Good Grief has played in our family's journey through grief."

On behalf of Rebecca's family, and all of the Good Grief families, **thank you** for helping us put the Good in Grief through compassion, support, and community.

We look forward to seeing you at the 2018 Good Grief Run and Walk for Hope on June 3, 2018!

With Gratitude,
