Dear Dave,

Thank you so much for your support of Good Grief's 2018 5K Run and Walk for Hope! With your help, we raised over **\$134,000** for our families and programs. We are proud to say that this has been our largest turnout yet! Over **1,200** individuals came to support the Good Grief community on June 3rd and we cannot tell you how truly excited and appreciative we are. None of this would be possible without your generosity and support!

Dave, your in-kind donation of 525 Bagels was critical to our success. We cannot thank you enough for your support of our event and our organization. Your generosity ensured that families like Bella's felt supported at our 5K Run and Walk for Hope. We are extremely grateful. Bella is a 14 year-old Good Grief participant who welcomed our runners and walkers during our opening ceremony:

"My dad's death was the worst time of my life. Kids in school didn't understand how it felt to lose a parent and I felt very alone. Going to Good Grief helped show me that there are many other kids out there just like me."

On behalf of Bella's family, and all of the Good Grief families, thank you so much for your generosity, support and thoughtfulness. You truly help us put the Good in Grief through compassion, support, and community. We hope we can count on you again for our 2019 Good Grief Run and Walk for Hope on June 2, 2019!

With Gratitude,
