Dear Mr. Harris:

On behalf of the March of Dimes, we would like to thank The Original Bagel Company for your generous donation of bagels for the Essex County March for Babies 2008 at Brookdale Park in Bloomfield. Despite the rainy weather, we had a great turnout showing the commitment to raising funds to ensure a healthier start for more New Jersey children. Our projections indicate that we will be successful in reaching our goal of raising \$390,000 in Essex County. This tremendous accomplishment is due to the efforts of our team captains and walkers, and thanks to the support from sponsors and volunteers like you.

The March of Dimes has been protecting the health of babies for 70 years. We funded the research that led to the prevention of polio and we have not stopped defending the healthy of babies since. From pioneering genetic research to promoting folic acid to fighting for lifesaving newborn screening, we are serious about making sure every baby is born healthy. This year more than half a million babies will be born too soon. With your support, we will find the causes of premature birth and develop ways to prevent it.

Thank you again for your support and I look forward to you joining us again in 2009!

Sincerely,

Margaret M. De Jager
