Dear Original Bagel,

Thank you for your recent and generous gift of \$200 which was received on 3/27/2017 in tribute of Bob McDermott. Your commitment to our mission during a difficult time enables us to reach millions of people each year, including the 6.5+ million stroke survivors in the U.S. today.

Stroke is the fifth leading cause of death in the U.S. and the leading cause of preventable disability – impacting a countless number of our loved ones. With the ongoing dedication of our donors, we are saving and improving the lives of many. Your support is:

- Increasing distribution of our **FAST initiative**, a community based life-saving awareness program on the importance of stroke warning sign recognition;
- Growing **Stroke Recovery Navigator** which empowers survivors and caregivers to manage the transition back into their communities once discharged from their care facility;
- Igniting a nationwide conversation through the **Come Back Strong™** movement, raising the level of concern and awareness of stroke; and
- Providing 100,000 free annual subscriptions of **StrokeSmart™** magazine.

Thank you for your generous commitment to this cause. You have a positive and lasting impact on the communities we serve.

Warm regards,

Robyn Moore
